\*\*Well sir\* and the gentleman, in few years and I was a runned mankind. One night you were performing Pamon and Pythias at the camp Street Theare. I dropped in and sax the play on the Pythias at the character of Damon, and the devolgin which exists between the two triends that I come chied dithat the world was not so bad as I had pletured it. I left the Theare with wholesome impressions, nerved myself once more for the struggle of ill—and now you see before you a successful and happy man. I live over here in Bayou Sarn. I towa a large plantation, and, as I owe everything to you. I should be lappy to share it with you."

Forrest, however declined. He was growing in popularity, his attachment to the stage was fixed, and he maintained it to the last. "I understand that he world is an and the devance of the public was when playing with Edmuy on appeared prominently before the public was when playing with Edmuy on appeared prominently before the public was when playing with Edmuy on the playing with Edmuy on appeared prominently before the public was when playing with Edmuy on the playing with Edmuy on the playing with Edmuy on appeared prominently before the public was when playing with Edmuy on appeared prominently before the public was when playing with Edmuy on the playing

Answer to Leadville.

West at once responded, "O. K., will prepare for you."

The Denvers will thus arrive one week from Tuesday, and play Wednesday Thursday and Friday, and possibly Saturday. They bring their full team, with the redoubtable Hudson, Harter, Sullivan and O'Brien of the Keokuks, To present the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team possible will now be the endeavor of the strongest team to the strongest

These are now five members of the league of American Wheelmen in the Territory.

C. H. Law, at the Chicago bicycle race, made a mile on a unicycle (see wheel) recently, in 4.35%.

N. H. Van Steklen, the racer, rides both the Star and Columbia, and seems to be equally at home on either.

Cola E. Stone, the St. Louis flier who recently won the 100-mile L. A. W. championship, rides a Victor bicycle. The rounth medal races of the Salt Lake bicycle club for 1885 have been postponed until the early part of Oc-tober.

A BARDWARE firm in St. Louis will exhibit a bleycle fifteen feet in diameter at the St. Louis exhibition, the wheels of which will be constantly kept in modinaduring the entire six weeks of the exhibition.

New York, September 12 - 9 - Prook-lyn, 4 Pittsburg, 1. New York, September 12 - Metropol-itan, 1; Louisville, 2.

A Past Mile.

SACRAMESTO, September 12-le the 4-year-old trot to-lay Joseph Caim Simpson's "Anterolo" trotted a tale in 2,1915. This beats the 4-year old stal-lion record 2½ seconds. The horse never worn anything but tips, and had never been shod.

The World Over, DENVIR AND Leadville are playing to Leadville to-day.

Tun Louisville Club is expected to visit the Pacific Coast this fall. Dave Better will remain in Leartille this winter and open with that nine next season.

Chicago and New York have won nev-etal games each since this record was completed.

THE WILLIAM uine is due here next Saturday. Whether or not they will fulfill their engagement is as yet un-known.

The Derven-Salt Lake base ball games and the races occur on the sacre days. They will conflict with each oth-but they ought to draw heavy crowd-lets town.

The Herald's baseball letters from Denver gave the Denver that a boom that will be appreciated by the taker of money at the gate during the approaching games.

Hanny Enginess, the British cyclist, may now be accorded almost the first place for long distance performances. He recently ran a fifty-mile race in 20, 45m, 13 4cs.

THE SUMMARY Of the standing of teading clubs in the League up to the 8th inst. was as follows:

Beston 22 48

The Berra Base Ball club have finally decided to make a trip to Salt Lake and play a series of games with the club in that city. They will start on the 24 of Outober and open the games on Smiday the 4th. The nine is now in good shape and can be relied upon to give a good account of themselves when the match is played. Miner 9th. Hardly on Sunday, boys!

The Nationals and the picked nine from Draper and Mill Creek met ye-terday, but owing to the soit grounds the match game was not played. An informal practice vame of six inning Salt Lake.
